FEATURES

Fully Multi-Coated: Increase light transmission with multiple anti-reflective coatings on all air-to-glass surfaces.

Shockproof: Rugged construction withstands recoil and impact.

Waterproof: O-ring seals prevent moisture, dust and debris from penetrating for reliable performance in all environments.

Fogproof: Nitrogen gas purging prevents internal fogging over a wide range of temperatures.

Flip-Up Mechanism: Quick flip up/down mechanism can be oriented to flip-up to the left or right.

Nitrogen Gas Purged: Gas purged and o-ring sealed for fogproof and waterproof performance in all conditions.

DESCRIBE

The ENLARGE 3X is equipped with 3X magnification and adds versatility to any STISA Optics. The premium lenses offer a crisp sight picture with optimal eye relief. Complete with turret adjustment to center the red dot and a fine focus ring the user can easily engage targets even further than before. The magnifier out the box will work with any Lower 1/3 Co-Witness height optic and mounts to any Picatinny style rail. The canted locking feature easily allows for the user to engage or disengage the magnifier by locking it to the side or back in place.

STISA RAPID-1 features a 38mm objective lens and programmable electronics, with automatic shutdown and shake activation to conserve battery life. Its casing prevents dust and debris from entering, while the durable T6063 aerospace aluminum housing protects the optical elements from all angles. Clickable adjustment knobs make it easy to set and maintain zero. This optic includes 12 brightness settings and premium lens coatings, making it suitable for various applications and platforms.

SPECS

Magnification:	3X
Eye Relief (in):	2.75in(69.85mm)
Length in:	3in(76.2mm)
Height in:	3in(76.2mm)
Weight oz.	10.25oz.(290g)
Shock Resistance:	1000G
Waterproof rating:	IP67
Body Coating:	Matte Black
Glass Coating:	Multi-Coated Lens

RAPID 1 RED DOT

Magnification Stated:	1X
Exit Pupil Dia:	33*24
Eye relief:	Unlimited
Parallax setting:	100YDS / 1'
Click Value Click:	1/2 MOA
Dot size:	2MOA
Windage Elevation (Up Down):	> 140MOA
Windage Elevation (Right Left):	> 140MOA
gear: 2 (NV) +10	shake awake: YES
Water Proof: IP67	Working temperature: . -30°C to +60°C
Shock Proof: 1200g	Weight (Gram) (Ounce): 295g(10.4oz)
